Once the money is submitted to the competition, it is their call as to whether it will be refunded or credited to a rescheduled event.
- In the event we need to move classes to a Virtual environment due to a State/Federal Mandate of closure or capacity limitations, no refunds will be issued, but monthly installment students will have the ability to withdraw prior to the next month with 10 days written notice to the Director, if Zoom is not a viable option for your student. This does not apply to students who paid for year in full tuition or students who wish to remain on our competition team for the current season where zoom virtual learning will be the only option available to complete the season.
- Calendar is based on 32 lessons per season from September to June - all months will not have the same number of lessons and there is no tuition installment discounts for months with lesser amount of lessons.

- Please be sure to notify the studio of all absences, at which time a make-up class will be scheduled.
In the event of a snowstorm or severe weather conditions, you will receive an email notifying you of a closure – We normally follow the Toms River Regional Schools closings schedule from severe weather.
- Zoom options may be utilized in place of in person make up lessons at the discretion of the director in the event of studio closure for inclement weather or other unexpected closures.
- In general, we follow the Toms River School schedule. Classes missed due to severe weather and special religious instructions can be made up, but do not have to be.
- Scheduled holiday closings (those listed on our studio calendar) cannot be made up as they have been excluded from your schedule and you are not paying for them.
